

Lobby Information

When and Where?

Wednesday, March 11th, 2pm-6pm at Parliament, Westminster.

What Is This?

An easy and effective way for ordinary people to meet their MPs and demand that they take action to:

- End the blockade on Gaza;
- Suspend the EU-Israel Trade Agreement;
- Bring Israeli war criminals to justice;
- End the arms trade with Israel
- Uphold international law and end Israeli occupation

Why Me?

Were you horrified by the carnage in Gaza? This is your chance to express your anger directly to your MP in parliament and show solidarity with the Palestinian people. We need as many people as possible to come to the lobby and show MPs that this is an issue that they cannot ignore.

How do I get involved?

Its easy, just follow these 4 simple steps.

- 1) **Arrange a meeting with your MP.** Just click here and send our pre-prepared letter: www.tinyurl.com/LobbyYourMP
- 2) Tell us when you receive a reply and the details of the meeting. Email info@palestinecampaign.org
- 3) Read the brief that we will send with all you need to know about the issues. You won't need to be an expert but a little preparation is always helpful.
- 4) **Don't worry if you are unable to arrange a meeting with your MP.** Come along to parliament anyway, there are many other ways you can be involved.
