Unite Finance Sector activists

February 2009

WE NEED YOUR SUPPORT FOR THE UNITE CAMPAIGN TODAY

Colleagues,

As you will be aware the current financial turmoil which has gripped the world has brought insecurity to staff in the UK and has damaged the reputation of this vital sector of the economy.

In order to raise the concerns of members working in the financial services sector Unite launched a 'social contract' for the financial services sector. The union is calling on the Government and finance companies to adhere to these principles.

You can help by urging your local MP to support this campaign for workers in the industry.

THE UNITE SOCIAL CONTRACT STATES:

1. Recognition of Unite as a key stakeholder in the future of the financial services industry.
2. To ensure the employment security of employees in the finance sector.
3. To protect and improve the terms and conditions of employees, including pension arrangements
4. End the remuneration packages of senior executives which reward short-termism and irresponsible risk taking.
5. Overhaul of the regulatory structures of the financial services sector to include trade union involvement in order to enhance the accountability of finance institutions.

Simply fill in the name of your MP and send the postcard enclosed to them.

Please encourage your colleagues to do the same. Copies of this postcard can be downloaded from: www.unitetheunion.com/socialcontract
