Unite, Your Union at Yorkshire Water

WELCOME TO YOUR NEWSLETTER!

Welcome to your new Unite Newsletter that will be providing all of our members at Yorkshire Water with details of the issues currently affecting our workers, as well as regular updates of union campaigns.

As this is the first newsletter, I'd like to start with welcome to Unite. I know a lot of you have been members for years, I know some have just become members, but this is a first and we are striving to improve our lines of communication with members across the business as some people don't have easy access to a local representative. This is why the first edition is really just a contact sheet to show you who are your shop stewards, who are your safety reps, and which areas they cover.
Cheers, Andy.

Competition

We could do with a name for the newsletter. It doesn't *have* to be Yorkshire Water based, but I'll leave it up to you. Email your clean ideas to me and the winner judged by the shop stewards will get a £10 Argos voucher.
