

## **Invitation to join Unite's Black Women's Network**

You may be aware that Unite recently launched the Unite Black Women's Network during the union's women's national week. In this connection, please circulate the following information to Unite black and Asian women members and encourage them to join this network. Additionally, we would ask our union representatives to circulate this throughout their workplaces.

- **Unite black and Asian women would need to register interest by sending an email to the following address: [unitebwn@unitetheunion.org](mailto:unitebwn@unitetheunion.org)**
- **The enclosed application form will also need to be completed in order to be fully registered onto the network.**

All network members will then receive regular Unite Black Women's Network newsletters; updates and information. Also, common issues raised will be used to inform the work of Unite.

If you have any queries, please do not hesitate to contact me on 020 7611 2642/3.

Thank you for your assistance.

Yours sincerely,

Collette Cork-Hurst  
National officer for equalities
