**SUPPORT THE STATUTORY REDUNDANCY
(AMENDMENT) BILL**

**FOR A FAIR DEAL
IN HARD TIMES**

**BACK THE BILL - COMMONS 2ND READING
FRIDAY THE 13TH MARCH 2009**

Dear Member of Parliament

Redundancy pay in the UK is among the lowest in the EU. Statutory minimum redundancy pay is currently capped at £350 per week - just 56% of average earnings.

This means that UK workers are among the cheapest to sack in Europe.

In these hard times, workers deserve a fair deal for years of loyal service. It is time that redundancy pay caught up with the real cost of living.

Lindsay Hoyle MP's Statutory Redundancy (Amendment) Bill is seeking to do just that.

Please back this Bill by doing the following
