KSOS - WALK AGAINST THE CUTS

Kent Save Our Services (KSOS) - A Trade Union Coalition against the Government cuts is organising a walk across Kent to highlight the cuts and their impact on local communities.

The walk, between Dartford and Dover Port will commence from the Orchard Theatre in Dartford at around 9am on Wednesday 15 June and will be undertaken in 4 stages. The aim is to highlight services that are to be closed or cut across the County.

At the beginning and end of each stage we will rally at a service venue that is at risk and are inviting the press to come along to hear what the unions and the local community have to say about the impact of the cuts on each particular service as well as in general.

The second stage of the walk will be Medway to Maidstone on 22 June, the third Ashford to Canterbury on 30 June and finally Thanet to Dover Port on 9 July.

The member unions of KSOS are UNISON, GMB, Unite, PCS, RMT, NASUWT, NUT, UCU, Aspect and FBU.

The walk will roughly trace the route of the Pilgrims' Way and it will be telling the 'story' of the devastating cuts to our public services and job losses throughout Kent.
