

We will be having a WMD event here at the University of Leeds. The Trade Unions and the University will hold a joint ceremony on the grass outside the Edward Boyle Library at 12.30pm and all staff and students are welcome. There will be speakers from the University, HSE and a Chaplin leading up to a 1 minutes silence at 1pm.

I am the contact point for this event, please let me know if you need any more information.

Regards

Lesley
