**STRIKING THE BALANCE** is set against the turbulent backdrop of the 1960s, 70s and 80s three working women take on the might of a discriminatory establishment.

Fast paced and funny with original music, Mikron will take you on a moving journey using a host of colourful characters – including special guest appearances from Labour's Red Queen and the Iron Lady herself.

Inspired by heroic sewing machinists from Dagenham, cleaners from Belfast, dinner ladies from Yorkshire and cooks from Liverpool, Striking the Balance chronicles the continuing struggle for Equal Pay.
