

Join our Anti Cuts Rally Tuesday 19 July, 6 – 7 pm

UNITE FOR
OUR
SOCIETY

**On the first anniversary of the 'Big Society'
join our Rally to tell Government that
No Voluntary Sector = No Volunteers.**

Government cuts threaten to devastate the voluntary sector organisations that keep our elderly safe, our disabled supported and our local theatres, youth groups and community centres open. Vital services – for some of the most marginalised in society – are simply disappearing.

The government has taken £4.4bn from the voluntary sector and up to 40% of staff could lose their jobs.

Come and join our Rally to tell Cameron that we won't tolerate a second year of his Big Society.

of Parliament
