Red Lion Square
London WC1R 4RL
12 – 4.30 pm

CHOOSE YOUTH **London** **Rally**

Make your voice heard

Youth services in London are being hit harder than any other public services

Youth organisations from around London will report on the situation and a plan of action to save young people's services in the capital will be discussed. There will be music, stalls, entertainment, a question time panel with MPs. This is an important rally for young people, their youth workers and all those supporting youth services in London.
