

Unite the union
**CELEBRATING LGBT
HISTORY MONTH**
February 2009

Everyone deserves dignity and respect at work and protection from bullying and harassment

Domestic violence and homophobic hate crime must be tackled

Unite - the union represents members against all forms of discrimination and harassment

Challenge homophobia and transphobia and promote tolerance and mutual respect at work

Always promote LGBT equality, ensure legal rights are protected and lobby Government for improvements

To support individual LGBT members at work

Encourage solidarity with LGBT workers and develop international, national and local networks

Top LGBT equality issues
from Unite survey
