Dear Colleagues

Temporary or Agency Workers in Higher Education

Amicus is seeking to establish any problems received by Temporary or Agency workers in the course of their employment in Higher Education.

If you are aware of any issues such as refusal to consider Temporary or Agency workers for permanent roles, paying below normal HE rates, unfair dismissal, poor working conditions etc., please can you contact me urgently via the Amicus Coventry Office perhaps with specific detailed examples.

Amicus is trying to get further legislation to assist Temporary or Agency workers and any examples you can give will go towards Amicus dossier of evidence in support of the need for protective legislation.

Yours sincerely
