PETITION

SIGN UP TO STOP ROLLS-ROYCE SITE CLOSURE – KEEP R-R ON MERSEYSIDE

Rolls-Royce has announced its intention to close its site in Bootle, Merseyside.

It wants to switch production from the gas turbine site in Merseyside to a plant in Mount Vernon, USA threatening more than 200 UK jobs.

Unite trade union has launched a major campaign to fight the closure of Rolls-Royce and is calling for support from the local community, government and local MPs. Please add your support to the campaign to keep Rolls-Royce Bootle site by signing the below petition and asking your friends and family to do the same.
