

AMICUS the union for all Barclays employees

REASONS TO BE IN AMICUS

- 30% increase in minimum pay over the last 3 years.
- Globalisation agreement resulting in 70% of staff being redeployed if centres close.
- Positive relationship with Barclays through partnership.
- Cashier accreditation leading to increased pay.
- Increases in grading to a number of job roles... and much more.

Get the benefits anyway?

Well yes, in some cases non-members do benefit from the collective strength of existing members; but there's no help for you individually if you have a problem, such as needing assistance with Performance Development.
