

# JOIN OUR DEMONSTRATION

Friday 5 January

Amicus, the UK's largest construction union, is holding a demonstration for people working in construction.

Come and meet us so we can hear your concerns on how best we can help you in the workplace on:

**Friday 5 January  
from 10.00am**

**starting outside  
MacDonalds in Lord  
Street, Liverpool City  
Centre.**

It is a proven fact that well organised, unionised construction workers get a **better deal** including the **best rates of pay, conditions, national agreements** and are at less risk from **accidents** and **injury** than non unionised workplaces.

Don't be alone, be part of Amicus
