

UNITE THE UNION EDUCATION BURSARY

Unite the Union pride's itself in being able to help further ambitions and aspirations by way of an education bursary to give members the chance to take training and lifelong learning to a further level.

Bursaries will be awarded initially through your region via your Education Organiser to whom you should submit the education bursary application form. If successful you will be awarded £150 through your region and then processed nationally for consideration of a further £350. Proof of payment or written acceptance of a course place from the course provider will have to be produced before any monies are allocated.

Your Education Organiser will consider your application with the possibility of conducting a local interview and make recommendations to the region which meets on a quarterly basis.
