Unite to keep the Liverpool Daily Post & Echo printed on Merseyside

Unite members at the Liverpool Daily Post and Echo are fighting to save their jobs after Trinity Mirror announced plans to move its print production out of Liverpool which has been in the city for over 150 years.

Around 100 workers at the Liverpool plant will be thrown out of work as it plans to shift the printing of its North West newspaper titles to its Trinity Mirror site in Oldham, Manchester.

Local titles include:

- Liverpool Echo
- Daily Post (Liverpool & Wales)
- Metro (Liverpool)
- KOP Monthly
- Birkenhead
- West Wirral
- Midweek Visitor
- Formby Times
- South Liverpool Merseymart
- Anfield & Walton Star
- Ormskirk Advertiser
- Crosby Herald
- Maghull & Anfield Star
- Southport Visitor
