

HEALTH AND SAFETY UNDER THREAT

**The government believes
that health and safety is a
burden on business**

**REGULATION
ENFORCEMENT
COMPENSATION**

A pair of orange-handled scissors is shown cutting through a red banner that contains the words 'REGULATION', 'ENFORCEMENT', and 'COMPENSATION' in white, bold, uppercase letters. The banner is tilted diagonally across the page. The scissors are positioned as if they have just cut through the banner, with the top part of the banner being lifted and the bottom part remaining flat.

It wants to:

- remove as many health and safety regulations as it can
- cut inspections and enforcement
- make it more difficult to win compensation.

Don't let this happen. Take part in the TUC Day of Action on health and safety on **28 April 2012**, Workers' Memorial Day.
