Clinical confidence and competence: the Health Visitor Implementation Plan in Practice

Following our successful road shows in 2011 and due to popular demand from members, we'll again be touring the English regions in 2012 to bring you updates from a national perspective regarding the Health Visitor Implementation Plan. Not only will this be a great opportunity for members to hear about the implementation plans progress nationally, but also **AN OPPORTUNITY** for us to gather further important information from you about how it's happening (or not) locally!

As this is in partnership with the Department of Health, it's also a great opportunity to be involved with the development of the plan as we near 2015 and let the Department of Health know about the successes and those things that need to be improved.

The dates and venues have now been confirmed (apart from the London event which will be confirmed at a later date) and are as follows:

Tuesday 14 February 2012	Newcastle	Newcastle University
Wednesday 15 February 2012	Leeds	Quarry House
Wednesday 29 February 2012	Torquay	Riviera International Centre
Thursday 1 March 2012	Bristol	The Grand Hotel

Wednesday 21 March 2012	Oxford	The Kassam Stadium
Wednesday 28 March 2012	East Malling	East Malling Conference Centre
Thursday 29 March 2012	Cambridge	Chilford Hall

The sessions will feature updates from Unite/CPHVA, the Department of Health and from your own region, and will be delivered by experts in the field who are working first-hand on the implementation plan. There will also be regular opportunities to question and inform the progress of the plan.

These workshops are open to both Unite/CPHVA members and non-members. As places are limited they will be allocated on a first-come-first-served basis.
