

WORKPLACE PROBLEMS SURVEY

TELL US ABOUT THEM!

We are currently planning to increase our membership and presence throughout NSPCC and we're sure you'll agree, the higher the membership level and the better organised the membership is, the better able we are to represent you.

As a first step we are looking to ensure that we are taking on the issues which effect or are of concern to you at present. We are keen to canvass the views of both Unite members and non-members to ensure that we have a clear understanding of what these issues are.

We would therefore ask you to take a few minutes out to complete the questionnaire overleaf. This questionnaire is completely confidential. Once completed, please return to

Freepost Plus RLSJ-YLEA-UKKU
Nancy Greene – National Organiser
Unite the Union(Amicus Section)
Park Gates
Bury New Road
Prestwich
Manchester, M25 OJW

We would also ask you to consider getting involved in the union on a day to day basis. However much time you can spare to help strengthen your union's position in the NSPCC there's always work to be done – from giving 15 minutes a month to keep notice boards up to date to becoming a representative. If you are interested please complete the blue slip overleaf and return to the above address.

THANK YOU FOR YOUR TIME AND HELP
