

Unite and the Non Profit Sector

Unite is campaigning for

Better Funding Arrangements – longer Government funding cycles for voluntary organisations to increase job security and stability for service users.

Workforce Development – integrated programmes of raising the standards of management practices and the development of staff.

Reduction in Violence and Bullying – tackling violence and anti-social behavior in and around front-line services.

Flexible Working – increased opportunity for staff to work more flexibly to assist work life balance.

Increased Role for the Voluntary Sector – to ensure that the sector remains at the cutting edge of non-statutory work.
