# MAKE YOUR VOICE HEARD

Amicus members are affected every day by political decisions – on pensions, employment policy, health and safety, schools and the NHS.

On all these issues our members have a view and that is why Trade Unions established the Labour Party in the first place – to ensure that the views of working people are represented at every level.

The rewards are worth it:-

*The Warwick agreement delivering decent rights for working people.  
Britains first minimum wage - protection against two tier workforce.  
New rights at work.  
Equal rights and fairness at work.  
Expansion of apprenticeships.*

There is more to be done but we can only do it with your support. That is why we are asking you to join the Labour Party.

Membership is only £1 per month (£12 per year) and if you join by Direct Debit your first years membership is free.

By joining you get the chance to influence Labours policies and candidates. You can make your views known.
