

**Coventry Against
The Cuts!**

The labour and trade union movement in Coventry and nationally is mobilising its members to defend public services and jobs from the cuts being imposed by the Tory-dominated Coalition.

We are not prepared to pay for a crisis that we did not cause. We are expected to suffer drastic cuts in our living standards while the culprits, the bankers and their system, continue to reap massive salaries and bonuses.

Public Meeting

Date: Thursday, March 10th at 7pm.

Venue: Methodist Central Hall in Coventry, CV1 2HA.

Speakers: Len McCluskey, General Secretary of Unite.
