We are in Birmingham city centre close to New St Station and The Bullring.

By rail:

Go through the ticket barriers then up the escalators into the **Pallasades Shopping Centre**. Turn left at the top of the escalators, then left, then right. This takes you to a ramp down onto **Corporation Street**. Walk past **Beatties** on your right, and then turn right by **Superdrug**. Follow **Union St** until you see **Marks & Spencer** in front of you and **Barretts Shoes** to the right. Turn left then look across the road & you'll see the entrance to **Gateway House**.

By road

Leave the M6 at junction 6 onto the **A38 Aston Expressway**. Follow signs to the city centre then aim for either **Albert Street** or **Dale End NCP** car parks. Leave the car park then look for **The Bullring** which has a round high rise building. Walk towards the Bullring until you get to **Gateway House** on the left. NB: If you reach **Marks & Spencer** you've gone too far! Ring the entry system & ask for the Learning Centre.

By bus

Almost every bus going into the centre stops reasonably close & there is a Ring & Ride stop immediately outside the centre.
