EWS/EWSI CSEU MEMBERS

Thursday, 25 November 2004

Dear Colleagues

RE: REPLACEMENT TO EWS PARTNERSHIP AGREEMENT

I am pleased to Report that meetings held 22nd and 25th November 2004 with Senior Management on the replacement bargaining structure have been extremely productive, to the extent that a draft agreement is to be produced in approximately 2 weeks time. Whereafter further meetings will take place with the objective of finalising and presenting the new procedure to C.S.E.U. local Reps for their approval prior to the Christmas break, with a ballot of the C.S.E.U. membership taking place early in the New Year.

I hope the above is of assistance.

Yours fraternally
