EWS/EWSI CSEU MEMBERS

Friday, 31 December 2004

Dear Colleagues

RE: EWS RAILWAY QUESTIONNAIRE – RMT DISPUTE

You may or may not be aware, that EWS are requesting staff to complete a questionnaire with regard to the RMT dispute with EWS. I have been asked to clarify a number of points with regard to this questionnaire.

- The CSEU has registered a number of concerns with regard to industrial relations with EWS and has arranged meetings with the Company in early January where hopefully these issues will be addressed. As I have stated in earlier notices to staff, the CSEU is not in dispute with EWS and therefore CSEU members should work normally.
- The Company has indicated to the CSEU that completion of this questionnaire will assist them in properly managing it's business.
- CSEU members are under no obligation to complete the EWS questionnaire and it should be completed entirely at your own discretion.

If you require any further assistance, please contact your local company councillor or this office.

I hope the above is of assistance.

Yours fraternally

A J MURPHY
NATIONAL OFFICER
