

Unite celebrates **BLACK HISTORY MONTH**

October 2018

**JUSTICE
FOR
WINDRUSH**

Unite celebrates the contribution of black and Asian workers. This year we pay particular tribute to the Caribbean workers who arrived on Empire Windrush by invitation to rebuild this country.

Now after 70 years, Unite condemns the government's recent disgraceful treatment of the Windrush generation and demands justice for all affected.

For more information please get the accompanying leaflet, "Immigration, It's Time for Equality" from the website below.
