

# Unite Period Dignity Campaign

The Multiplex site at Glasgow University is the first to sign up to the period dignity in construction campaign

In the 21st century women workers should be able to experience period dignity in the workplace.

There is no reason why construction should be any different.

## Please support Unite's Four Point Campaign

- 1 Every site or depot has a designated female toilet, that is accessible, regularly cleaned and lockable
- 2 Handwashing facilities, running water and soap are provided
- 3 Sanitary bins are provided and are cleaned and emptied regularly
- 4 Sanitary products are provided in a dispenser in a discreet location, free to workers.

# How you can support Unite's Period Dignity Campaign

- 1 Ask your employer to sign up to Unite's period dignity campaign
- 2 Get the campaign raised at health and safety committee meeting
- 3 Display the Period Dignity campaign poster at your workplace
- 4 Sign and circulate the Unite petition
- 5 Take pictures of workers supporting the Period Dignity campaign and circulate them on social media.
