UNITY DEMO

The trade union movement stands for unity over division, hope over hate. March with us to celebrate our shared values of solidarity, equality and tolerance.

JOIN US – to show that we are the many and those that seek to divide us are the few. This is a family friendly event, bring your friends, colleagues and neighbours. Let's make this big!

Can't make the march? Then make sure to send your messages of solidarity on Facebook and Twitter
#Unions4unity.

This is a Stand Up To Racism event supported by Unite, TUC and our sister unions.
