When Labour wins, manufacturing workers win.

IT'S OUR TIME
Thursday 12 December, Vote Labour.
It’s our time:
to invest in our manufacturing industry.

It’s our time:
to defend manufacturing jobs.

It’s our time:
to take a government stake in British Steel.

It’s our time:
to build the Royal Fleet Auxiliary in Britain.

It’s our time:
to increase the number of women and BAME people in STEM careers.

It’s our time:
to create a new Ministry of Employment Rights.

It’s our time:
for workers’ rights from day 1.

It’s our time:
to put workers on the board of every large company.

It’s our time:
to reduce the working week to 32 hours with no loss of pay.

It’s our time:
for public procurement of UK steel for new infrastructure and defence projects.

It’s our time:
to access new capital for investment from Regional Investment Banks.

It’s our time:
for a proper industrial strategy to address energy consumption, rates and skills across the sector.

It’s our time:
for trade remedies and defences to protect industries from dumping, tariffs and trade wars.

It’s our time
Vote Labour.
