What your workplace can do:

- Make a financial donation to your local food bank
- Ask your employer to support the appeal
- Start a collection – find out from your food bank what is needed. As well as food, it could be toys, warm children's coats and shoes for winter.

Our union's branches and amazing members can make a real difference to so many this winter. Unite Community branches can help you identify your local food bank community@unitetheunion.org

In solidarity,

Len McCluskey
General Secretary, Unite the union
